

When are my Stocks Purchased?

All shares that are purchased through the Stock Purchase Plan (SPP) or shares that are awarded are purchased on the last trading day of the month in which the commissions are distributed or the stock award is earned.

Once you have contributed \$250, you will receive your Shareworks account which will allow you to manage your shares.

Your purchased shares have a 1-year vesting period, and the awarded shares have a 3-year vesting period. In Shareworks, you can see when your shares are vested and available to transfer to eTrade to sell or trade.
