

Where can I find my 1099?

Your 1099 Tax Documents are available for you to retrieve and download at any time within your app starting with 2021 taxes.

Login to your account on the app or at bolt.therealbrokerage.com.

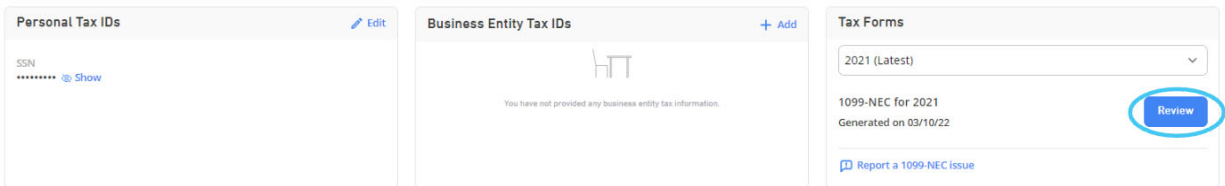

Once logged into your account, click on **My Dashboard** (or your profile icon in the bottom left). This will open your Profile page. Scroll down to the **Tax Forms** section.

Click on the drop-down menu. This will display all the years you have 1099s with Real starting with 2021.

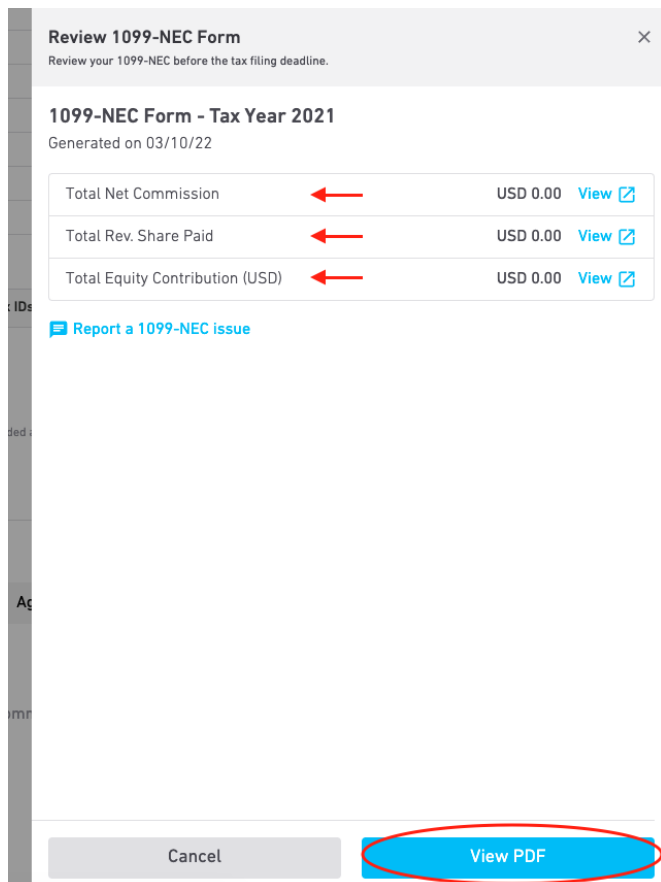

Once you have chosen the year you need your 1099 for, click on the Review button.

- Note: If your 1099 is not immediately visible, it's likely you haven't entered your SSN# or your company name and EIN#. Click here to see how to update your tax information.
- Once your information has been entered, send an email to support@therealbrokerage.com, and we will generate a 1099 for you.

A window will open to show you a breakdown of the income you earned in that year to include, Total Net Commission, Total Rev. Share Paid, and Total Equity Contribution.

Once you have reviewed your breakdown, click on View PDF.

You will open into your 1099. You can print this or save it as a PDF to your computer or your phone.
