Feal How do I sign up for the Stock Purchase Program?

If you did not sign up for the Stock Purchase Program when you were signing up with Real, you may opt in one time per Anniversary year.

Typically, an agent would have signed up when joining Real and signing the ICA. To verify if you have signed up, log into your account via the app or online at bolt.therealbrokerage.com:

Once logged in click on My Profile:

Your profile screen will appear. If there is a green box with YES, you have already signed up. If there is a red box with NO, you will need to request to join the Stock purchase plan by emailing support@therealbrokerage.com and they will send you an addendum to sign and then get you set up.
