

What is Workplace?

Workplace is where everyone can be found

Workplace has been designed to be Real's community hub. This platform is for collaboration, communication, organization, and learning that is just for Real agents, brokers, and staff.

If you have not set up your Workplace account, visit this link to get setup.

Workplace is a place just for us here at Real. This platform is very similar to other social media platforms; however, none of the content shared on this platform will be shared outside of Workplace.

On Workplace, You can:
