

# How do I change my email address?

**You can easily change your email address within your Real mobile app or the desktop version of the app found at [bolt.therealbrokerage.com](http://bolt.therealbrokerage.com).**

To change your email address, you will need to log into your app account. You can do that from your mobile app or from the desktop version found at [bolt.therealbrokerage.com](http://bolt.therealbrokerage.com).

Log into your account:

Once logged in click on My Profile

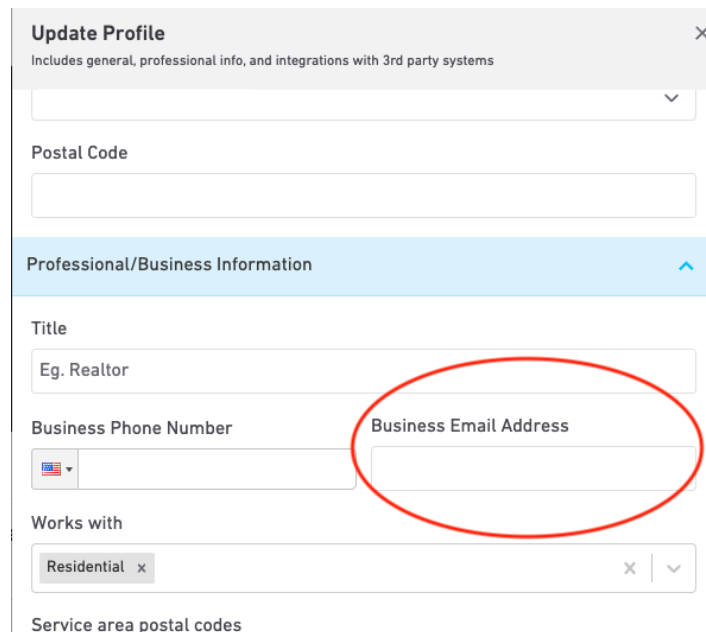

Your profile screen will appear.

Click on Update Profile:

Update the email address you would like to change. This is generally your Business Email Address as this is the email address that is on your website for clients to see. You will scroll down to the Professional/Business Information section to find the Business Email address.

Once you've completed updating your email address, click Save.
