

Adding a License

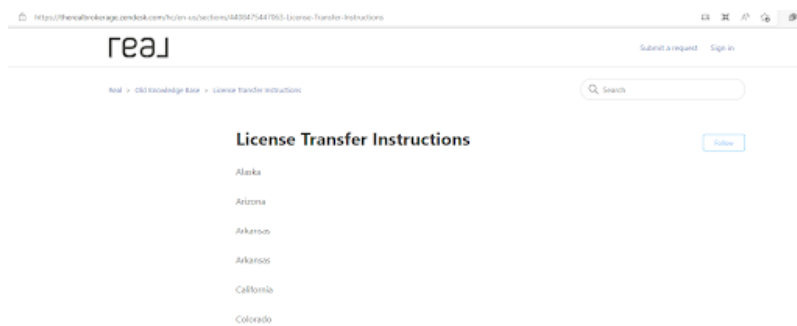

How to transfer your license

As part of joining Real, you will need to transfer your real estate license in order to associate that license with Real.

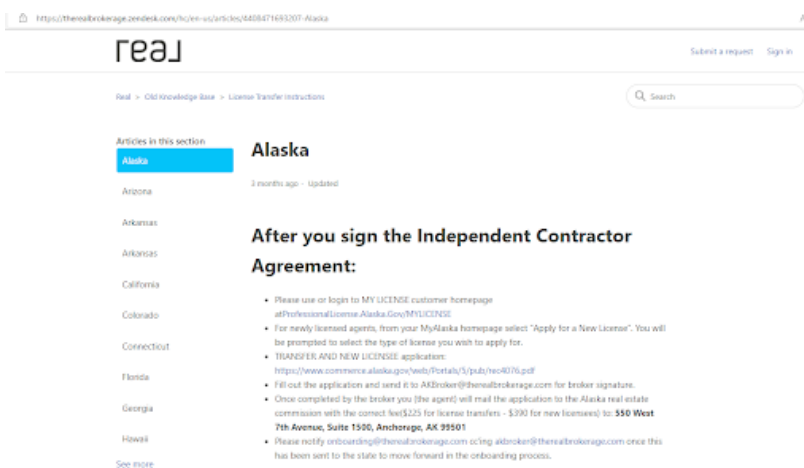

How to Transfer or Activate Your License

How to transfer (or activate) your license will be governed by your local division of Real Estate.

To find your particular State, visit the License Transfers section of the Knowledge Base Library and then click on your State.

Once you've clicked on your State, you will find links and instructions on how to complete your license transfer or activation.
